1002 Royal Oaks #1, Yorktown, TX 78164

Property Description

True country living at its finest with this spacious and updated home, room for all equipment and toys with the huge 3200 sqft 80x40 metal shop all sitting on 11.88 gorgeous oak covered acres in the highly sought after Royal Oaks #1 Subdivision. Featuring 3 Large Bedrooms with a split bedroom plan and a fantastic primary ensuite, and large walk-in closet. A nice and inviting open concept, with dining area off the beautiful kitchen. The true formal dining room would make for a great office or 4th bedroom if needed. Enjoy the peace and serenity country life offers all while being close to town. The expansive front and back porches were made for taking in the incredible views, watching the wildlife and soaking in the grandeur of the majestic oaks. AG exemption in place and there is an attached oversized 2 car garage with 700sqft, ample storage an additional outbuilding & stall. Give us a call today to schedule a private tour to see all this incredible property has to offer for only \$455,000

Price: \$455,000
